Georgia-Pacific

Since 1883, the Camas Mill has been committed to promoting the development of Clark County and Southwest Washington, as well as continuing to foster a positive relationship with its citizens.

Today, Georgia-Pacific employs approximately 900 people in the Clark County area. We appreciate the valuable support we have received over the years and are honored to be an advocate for this outstanding community.

401 NE Adams St., Camas, WA 98607 • 834-3021
